8:00 a.m. to 9:00 a.m.
Welcome and Keynote
Fort Hays Ballroom, Memorial Union

9:15 a.m. to 10:15 a.m.
Concurrent Sessions 1

**Introduction to Grant Writing – Ms. Leslie Paige (FH)**
This presentation introduces the basics of grant writing for novice grant writers and for those needing a refresher. Topics include finding funding, researching funders, proposal development, tips for competitive submissions, and the process for internal approvals.

**Top Ten Tips - Dr. Kenton Olliff and Dr. Keegan Nichols (T&L)***
Faculty are being asked to take on more and more responsibilities, some which may be federally mandated. Student Affairs staff members can assist with training for situations that may arise. This session highlights information regarding 10 student situations faculty may encounter.

**OneDrive, the Best Thing Since Sliced Bread? (2-4 presentations)- Mr. Mike Nease (TECH)**
Get to your files from anywhere, on any device, with Microsoft OneDrive. Share and work together with anyone in your work and life – and do it all for free. Learn more about OneDrive, how it works and what it means to you.

**Social Media Marketing: It’s a Team Effort – Ms. Melissa Dixon (FH)**
This presentation explores tools and tips to help your department or organization use multiple social media platforms for self-promotion with the ultimate goal of recruiting students.

**Visible Scholarship through Researcher Networking – Ms. Deborah Ludwig and Ms. Jennifer Sauer (RE) (T&L)**
Open scholarship is a way to make one’s research and creativity more visible and to increase the potential for citation. Opening one’s research extends access to a global audience regardless of an institution’s ability to pay for high-priced commercial subscriptions. This session focuses on the value of open scholarship and how authors can be more visible through research-sharing networks including ResearchGate and Digital Commons.
Who is TigerTech? – Ms. Michelle Schlyer, Mr. Scott Hess, and Mr. Edward Tao (TECH)
TigerTech is the primary technical assistance resource for the University internally and also serves as a link between FHSU and the extended campus community. Learn more about our TigerTech team, the systems we support, and our full scope of service in this session!

University Relations and Marketing: How can we help you? – Ms. Lisa Karlin and Ms. Lyndsey Dugan (FH)
From sharing your news to approving designs and more, find out how University Relations and Marketing can assist your department!

All Things Study Abroad – Ms. Andree Brisson, Dr. Shala Mills and Dr. Yaprak Dalat-Ward (T&L)
This session will provide information on the study abroad programs at FHSU.

Functions of the Office of the Provost and VP for Academic Affairs – Dr. Graham Glynn (FH)
The organizational structure and functions, which have changed significantly over the last year, of the various offices under the Provost will be explained. These include Academic Programs & Student Success; Internationalization & Global Partnerships; Executive Dean for AA in Asia; Institutional Effectiveness & Quality Improvement; and Faculty Affairs & The Virtual College.

Knowing your Tiger Acronyms and Terms – Ms. Tricia Cline (T&L) *
Do you know the difference between Tiger Tracks, Tiger Link, and Tiger Stripes? Will you be attending SRP’s, working with KAMS students or helping your department award AOA’s? Not sure how to answer these questions? Come learn common Fort Hays State University acronyms and terms so you can start talking like a true tiger!

Teaching Traditional vs Online Courses – Ms. Nicole Frank and Dr. Christine Hober (T&L)
This session will describe and share teaching practice variance when comparing tradition to online teaching. Come learn and share best practice for online teaching and describe how it varies when applied to traditional teaching.

Enrollment Management – Mr. Dennis King and Ms. Tiffany Fox (T&L)
PAR Framework: PAR Framework is a new predictive analytic system for at risk students. PAR member institutions collaborate on identifying points of student loss and finding effective practices that improve student retention in U.S. higher education. STARFISH Early Tiger Alert: Early Tiger Alert is a tool used to help track student retention. Discussion on new features and the continuation of this tool.

Introducing Workday! – Ms. Jackie Ruder and Mr. Austin Niehaus (TECH)
Fort Hays State University is implementing Workday, an Enterprise Resource Planning System that offers a full suite of integrated products which include Human Capital Management, Financial, and Student components. This session will introduce you to Workday and bring you up to date on the progress and future of Workday@FHSU.
9:15 a.m. to 10:15 a.m.
Concurrent Sessions 1 Continued

Outlook Web Access/Mobile Apps – Mr. Derek Johnson (TECH)
If you use a tablet or phone to access your email, this course might be for you. Outlook Web Access (OWA) provides secure access to your email, calendar, contacts, task via a web browser from anywhere in the world. The Outlook mobile app for your smartphone will allow you access to all your email from your phone. Learn how both of these mobile technologies work and some of the features included with each of them.

10:30 a.m. to 11:30 a.m.
Concurrent Sessions 2

Getting Your Research Project Approved: The IRB Process – Ms. Leslie Paige (FH)
For faculty and staff conducting or supervising student research involving human participants. The approval process and tips for success will be discussed.

Social Learning – Dr. Carolyn Anderson, Dr. Mary Martin, and Dr. Teresa Woods (T&L)
This session will include ways to engage your students is social learning.

Increase Productivity with Instant Messaging – Ms. Kristin Rupp & Ms. Sarah Taggart (TECH)
Did you know that Office 365 includes instant messaging? In this session you will learn how you can use instant messaging to increase productivity and save you valuable time. Easily communicate with colleagues via instant messages, quickly share and/or collaborate on files, and even set up video meetings.

Managing and Reporting Classroom Student Behaviors - Dr. Kenton Olliff and Dr. Keegan Nichols (T&L) *
Managing the classroom and understanding how to report behaviors is challenging. This session will give faculty the tools for reporting behavior problems as well as academic misconduct. Participants will learn how to use Maxient software to report and how to follow-up on student behaviors.

Gamification 101 – Dr. Linda A (T&L)
“What is gamification?” “Why gamification is relevant to my teaching?” “How can I create gamified learning environments?” – This demonstration will introduce gamification to you and provide you with some simple steps of creating gamified learning activities for your students.

Video Smackdown: Zoom vs Bb Collaborate Ultra – Dr. Joy Hatch, Dr. Lorie Cook-Benjamin, Mr. Nathan Riedel (TECH)
FHSU has many video options for you to use, with two main competitors that can be used for academic purposes and everything else. Join us for this session to learn about Zoom and Bb Collaborate Ultra from people who are actively using them. Learn how to access the systems, and compare the ease of use and features for each. Finally, ask the questions you need to help you decide which is best for you!

History of Fort Hays State University – Dr. Robert Luehrs (FH)
A "Back to Basics" discussion of the origins of our university and its enduring heritage.

Syllabus 101 – Ms. Deana Zerr and Ms. Seung Gutsch (T&L) *
Establishing your class expectations are important. This session shares best practices to create an effective syllabus with strategies to get your students to read it!
10:30 a.m. to 11:30 a.m.
Concurrent Sessions 2

Faculty Panel – Experiences with Open Access Publishing – **Moderator: Ms. Deborah Ludwig (T&L)**
**Panel Members: Dr. Gavin Buffington, Dr. Eric Leuschner, Dr. Kenny Rigler, Dr. Doug Drabkin and Dr. C.D. Clark**
Faculty will discuss their experience with publishing research, developing open education materials, and editing open access scholarly journals. Topics will include the advantages of open access publishing and tips and resources for those considering open access publishing regarding rights management, and places to consider for publishing.

**Engaged Learning through Social Media –** **Mr. Joel Dugan (T&L)**
*Finding a way to utilize social media to cultivate a platform that will extend the dialogue with your students beyond the classroom.*

11:45 a.m. to 12:45 p.m.
Picnic Lunch
The Quad

1:00 p.m. to 2:00 p.m.
Concurrent Sessions 3

**Classroom Modifications — Readying the Classroom for International and Domestic Student Success –** **Ms. Amanda Ergun (T&L)***
This presentation provides suggestions and ideas on modifications for the classroom and class activities so that teachers can better engage with international students while also promoting collaboration and communication among the international and domestic students in the classroom. Minor modifications to a traditional classroom can benefit international students (non-native speakers of English) as well as domestic students, which will yield better results for the students’ educational experience as well as for the teachers’ overall effectiveness in the classroom.

**Introducing Workday! –** **Ms. Jackie Ruder and Mr. Austin Niehaus (TECH)**
Fort Hays State University is implementing Workday, an Enterprise Resource Planning System that offers a full suite of integrated products which include Human Capital Management, Financial, and Student components. This session will introduce you to Workday and bring you up to date on the progress and future of Workday @FHSU.

**Developing Your Tenure Notebook: Advice and Actual Samples –** **Dr. Lorie Cook-Benjamin (T&L)**
This session is primarily intended for faculty on tenure-track. Participants will learn about the required notebook materials, hear suggestions for how to organize the materials, and view actual samples.

**The FHSU Foundation: Help Us Help You –** **Mr. Jason Williby (FH)**
It’s true! By helping the FHSU Foundation, their office can better support you and your area of campus. Let the Foundation know what’s new with your department. What are your students learning? Are your students winning awards or moving on to great things following graduation? This session will also explore the importance of establishing relationships with our alumni and friends. Learn how you can participate and help in identifying financial partners.
1:00 p.m. to 2:00 p.m.
Concurrent Sessions 3 Continued

Library Services and Best Practices related to Open Educational Resources (OERs) – Ms. Claire Nickerson (T&L)
In this session, you will learn what new services the library is providing related to OERs. We will also discuss best practices for integrating OERs into your courses and for using them most effectively.

Engaging Students in the Classroom: An “affective” approach – Dr. Hsin-Yen Yang (T&L)*
Engaging students involves both intellectual and emotional connections among educators and students. This presentation demonstrates some innovative ways to engage students in classroom and beyond.

Become a Cyber Superhero: Learn How You Can Protect Our Students’ Information in the Digital Age – Ms. Jessica States (TECH)
In a world where cybercriminals are phishing for information and one click can spell disaster, only one person can save the universe from ultimate destruction (or, at least, save our university from theft and disruption): YOU! You have the power to save our students from identity theft and our university from downtime and embarrassment. The choice is yours: will you be a hero or an unwitting accomplice? Join this session to learn how to create a strong password, identify phishing scams and other cybercrime, and leap tall buildings in a single bound (well, maybe not that last one).

Course Design and Development – Dr. Andrew Feldstein and Dr. Linda A (T&L)
In this session we will discuss the basic steps in the development of new online and blended courses as well as the redesign of a face-to-face course to an online course. We will introduce the Quality Matters Alignment & Rubrics and the Community of Inquiry Framework and explain their importance in the course creation process.

Co-Curricular Assessment in Learning – Dr. Kenton Olliff and Dr. Keegan Nichols (T&L)
This session will examine how assessment in higher education can help faculty prepare for their work. Student affairs professionals will give you top tips of assessment of learning outside the classroom.

Atomic Learning – Mr. Andy Tincknell and Mr. Nathan Riedel (T&L)
Learn how you can use the vast depository of video tutorials provided by Atomic Learning to learn software skills that will prepare students, or even yourself, for success in college and beyond. Faculty, you are highly encouraged to bring your choice of an electronic device (i.e.: laptop, tablet)

Outlook Calendars – Ms. Kristin Rupp (TECH)
An appointment doesn’t have to be an appointment – it can be any block of time you need to remember. And a meeting can be any block of time that involves coordinating a group of people. Learn more about the calendar in Outlook, you can keep things simple or manage complex meetings.

University Relations and Marketing: How can we help you? – Ms. Lisa Karlin and Ms. Lyndsey Dugan (FH)
From sharing your news to approving designs and more, find out how University Relations and Marketing can assist your department!
What’s happening at FHSU in China – Dr. Dan Kumala and Mr. Michael Leibold (FH)  
This informative session will cover new plans for the future direction at the two partnership institutions in China

Student Success Efforts at FHSU - Dr. Tim Crowley and Mr. Dennis King (FH)  
This session will provide an overview of student success initiatives within the university planned for 2016-2017. This session will highlight key areas of collaboration between academic and student affairs.

First Impressions Matter – Ms. Sabrina Williams and Dr. Stacey Smith (FH)  
In the first 7 seconds of meeting you, a person forms 11 impressions of you; assessing your character, likability, and intelligence. From your body language to the ease at which you start a conversation, you want to put your best foot forward. Join us and learn what it takes to stay positive, professionally address customer and coworker concerns, and make a (good) lasting impression.

Strategies for Teaching an Online Course – Ms. Nicole Frank and Ms. Seung Gutsch (T&L) One of the hardest things about teaching online is explaining complicated ideas without the benefit of F2F interaction. In this workshop, we will discuss how to create a media-rich environment, and systemic ways to structure an online course to increase the impact of your content delivery.

Academic and Career Advising at FHSU – Dr. Patricia Griffin and Ms. Nikki Brown (T&L)  
This session will cover the mission and goals of academic and career advising at FHSU. Attendees will also be provided information related to freshmen ACCESS and professional development related to advising.

Bb Assessment and Grade Center – Mr. Edward Tao (TECH) *  
Worried about students’ grades and totals? Have Blackboard Grade Center do the math for you! Come join us to learn about features in the Blackboard Grade Center and best practices for exam settings, then you can sleep well without worrying about your students’ grades.

How the College of Business is doing assessment – Dr. Andrew Feldstein and Ms. Merri Incitti (T&L)  
The College of Business and Entrepreneurship has aligned its Student Learning Outcomes (SLO) to its mission, mapped the courses in each program to the SLO’s, and has begun the development of rubrics to assess the student work in the core and program courses. Through the use of an electronic Accountability Management System this was piloted Spring 2016 in the core required business courses for the BBA program.  
Next steps – review the data collected and “Close the Loop”.

Recent Research and News related to Open Educational Resources (OERs) – Ms. Claire Nickerson (T&L) *  
This presentation will provide an overview of Open Education Resources (OER) in higher education, best practices for developing and integrating OER, and the resources available at FHSU to support faculty in the utilization of OER in the classroom.
2:15 p.m. to 3:15 p.m.

Concurrent Sessions 4 Continued

Liberal Education Update - [Dr. Shala Mills](T&L)
New to FHSU and not familiar with our Gen Ed program? Or just wondering what’s going on with Liberal Education revision at FHSU? This session will briefly describe the current General Education program, provide an update on the work the Liberal Education committee did last year in the process of revising the Liberal and General Education program, and share the next steps in the Liberal Education revision process.

OneDrive, the Best Thing Since Sliced Bread? – [Mr. Mike Nease](TECH)
Get to your files from anywhere, on any device, with Microsoft OneDrive. Share and work together with anyone in your work and life – and do it all for free. Learn more about OneDrive, how it works and what it means to you.

Virtual Reality and New Media in the Classroom – [Dr. Gordon Carlson](T&L)
Virtual reality and other new media approaches to learning are stronger, easier, and more fun than ever. In this one-hour session you will get a hands-on demonstration of how you can incorporate games, mobile tech, and interactivity into any course. You don't need any background in tech for this, the session is aimed at showing how anyone can use these approaches without the learning curve.

Who is TigerTech? – [Ms. Michelle Schlyer, Mr. Scott Hess, and Mr. Edward Tao](TECH)*
TigerTech is the primary technical assistance resource for the University internally and also serves as a link between FHSU and the extended campus community. Learn more about our TigerTech team, the systems we support, and our full scope of service in this session!

3:30 p.m. to 4:15 p.m.

Panel Discussion – Guns on Campus: The Law, When, Where and How
Join us for a discussion related to the laws around guns on campus, and get answers to the when, where and how for FHSU. Members of the gun policy committee will provide updates on the work they are doing to help prepare the campus. The new law will be effective July 1, 2017.

Kerry Wasinger, Moderator
Fort Hays Ballroom, Memorial Union

4:15 p.m. to 4:30 p.m.

Wrap-Up and Door Prizes (must be present to win)
Fort Hays Ballroom, Memorial Union

5:15 p.m. to 7:00 p.m.

Family Affair Softball Game - Faculty vs Staff and Dinner
Tiger Field (south of Cunningham Hall)

* bring the family and lawn chairs for burgers and hot dogs at the University’s second annual Faculty vs Staff softball game.
